SPRINGFIELD, May 17.—The ball
situation here which, a few days ago
was in a state of eruption, has resumed
its old form, and it begins to look as if things were to be straightened out to the satisfaction of not only the stock the satisfaction of not only the stockbolders, but the patrons in general. The
feeling against Manager Rinehart,
which was aroused by one or two persens having considerable influence, has
about died out, and the indications are
that he wil be retained as manager. He
centends that it is impossible for his
beys to play good ball with even the directors knocking against him, and
thinks with a little encouragement he
can play the club on top. There will
be a meeting of the stockholders, together with President C. B. Powers, tometrow night, and the entire matter
gone over. The victory of the home
ciab to-day, notwithstanding that it
was a poor exibition of ball playing, has
int encouragement, and the people are
beginning to feel that if Manager Rinehart gets in good form everything will
be all right. Some important changes
will likely take place in the club and it
is probable the first baseman, Dave
Curran, will be made captain.

Special Dispatch to the Intelligencer. NEW CASTLE, May 17 .- Never was such heavy batting seen on the home grounds as in the first inning. Taylor hit the first ball for a home run; he was followed shortly by another from Lyons and then came three singles. For New Castle, the first three men up made sin gles, then Easton gave a man is base or balls, and was taken out. Campbell hit the first man he pitched to and forced in another run, leaving the bases full, and Tate lined the ball over the fence for a iome run. There was a regular bom-bardment of the heavens. Campbell was quite effective in that he kept his hits stittered. He was batted hard at times but the ball generally went high in the air to alight in the hands of she fielders.

It was the most exciting and snappy game that has been seen here this season and was anybody's till the last man was NEW CASTLE. R. BH. PO. A. E.

The New Castle team has been playing ahead of its proper pace since the season opened and sooner of later will be trailing in the dust of better teams—and Wheeling's one of 'em.

Garvey will pitch for the Wheeling's to-day and Hewitt or Hickman will be in the box for the Pennsylvanians.

danger as she is when she neglects to take proper care of herself and take the right precautions during the period preceding motherhood.
